### Tiny Tom Donuts

Toronto, ON

Employee at Tiny Tom Donuts Store and at the CNE Trailers

AUGUST 2017–JULY 2019

Manager at Tiny Tom Donuts Store and at the CNE Trailers

AUGUST 2019–PRESENT

- Promoted to a management position after two years for exemplifying my leadership skills
- Provided quality customer service to patrons by addressing any concerns and resolving any issues encountered by the patrons
- Ensured the workplace was always organized allowing other workers to focus on other aspects of the job such as solving problems encountered throughout the day
- Communicated and cooperated with co-workers to ensure the employees understood the roles and tasks in the workplace which allowed each day to run smoothly creating a positive environment

### City of Toronto

Toronto, ON

Rink Guard at Dufferin Grove Park

OCTOBER 2018–MARCH 2019

- Enforced rink rules by communicating to the patrons ensuring a safe and fun environment which minimized injuries on the ice
- Provided quality customer service to patrons by addressing any concerns and resolving any issues encountered by the patrons

## PROJECTS

---

### Connect 4

Toronto, ON

Developer

JUNE 2020–AUGUST 2020

- Recreated the board game connect 4 in java with a GUI interface which allowed a user to play the game without the physical board game with appealing visuals
- Developed this project with the javax.swing class which allowed me to gain an intermediate understanding with object oriented programming, data structures, and algorithms

### Personal Website

Toronto, ON

Developer

JUNE 2021–PRESENT

- Website built from scratch for the purpose of showcasing my personal projects and contact information which is fully adapted for screens of all sizes
